Permanent Veterinary Surgeon In South Yorkshire (recent Grads considered)

Description

A fantastic opportunity for a Vet Surgeon to join a friendly and supportive team based over 3 branches. Facilities are modern, and bright with 5/6 well-equipped consult rooms, 2 op theatres, digital processing, ultrasound, air dental and QCR labs. Great potential for learning and developing.

100% Small Animal

Start date ASAP/Flexi

Full Time - 38 hours

No OOH's

Weekends on a rota basis

Part of an experienced Vet team that can offer great support. Will consider confident recent graduates but ideally looking for a Vet already competent with routine procedures.

Salary will be dependent on experience but for new grads around £30K

CPD and Certificates fully supported and encouraged.
